CORRIGENDUM NO. 1

Issued: 12 February 2026

Tender ID: SYN-2026-001

The following amendment is hereby made to the tender document published on 28 January 2026:

1. In Special Conditions of Contract, Clause 5.3 (Environmental compliance), the words "shall maintain reasonable levels of dust suppression during demolition and earthwork activities, and shall take appropriate measures to mitigate noise and vibration impact on neighbouring properties" are hereby replaced with:

"shall maintain dust suppression such that PM10 concentrations measured at the site boundary do not exceed 100 µg/m³ over a 24-hour averaging period, in accordance with the Central Pollution Control Board's ambient air quality standards. Noise levels at the site boundary shall not exceed 75 dB(A) during the day (06:00-22:00) and 70 dB(A) during the night, as per IS 9989."

All other terms and conditions of the tender remain unchanged.
